Remarks

Where high desert meets open sky, opportunity takes root. This 0.36-acre corner lot in Congress, AZ invites you to build the life you've pictured-- custom or manufactured home, no HOA. Framed by mountain views and natural desert vegetation, the gently sloping parcel offers street access on three sides via county-maintained asphalt roads. The groundwork is done: site survey and percolation test completed and recorded with Yavapai County, with utilities at or near the property line. Zoned R1-10 in unincorporated Yavapai County--raw land ready for your vision. A portion lies within a designated flood plain; buyer to verify all utilities, zoning, and building requirements with the county.
